OFFICE OF LEGISLATIVE COUNSEL

Friday - 17 November 1972

1. (Secret - JGO) Met with Mr. Arthur Kuhl, Chief Clerk, Senate Foreign Relations Committee, and completed the necessary security debriefing prior to his travel with Senator Symington (D., Mo.). I received from him an updated copy of the travel itinerary. In another context Kuhl told me that the Bureau background investigation on Jerome I. Levinson was completed on 23 October but that security processing of Mr. Jack Blum who will be working with Mr. Levinson on the Multinational Corporations Subcommittee is just now in process.

2. (Internal Use Only - JGO) Met with Mr. Ralph Preston, House Appropriations Committee staff, and received from him an alternative travel schedule to Sao Paulo if Buenos Aires is cancelled. Mr. Shackley, WH Division, has been advised.

3. (Internal Use Only - JGO) Talked to Mr. Robert Blum, Senate Foreign Relations Committee staff, and told him that the purely mechanical processing of the documents selected for declassification will be completed hopefully this weekend. He is now anxious to close out the Committee report in which they will be included and asked, if possible, that declassification be completed by the time he returns from a short vacation over the Thanksgiving Day holiday. [] has been advised. 25X1

4. (Unclassified - LLM) In response to an earlier call, spoke to Bill Lytton, in the office of Senator Charles Percy (R., Ill.), and sent to him Havana radio frequencies (supplied by FBIS) which a ham operator wishes to monitor.

5. (Internal Use Only - RJK) Left with Judy Spahr, on the staff of Senator Jackson's Subcommittee on National Security and International Operations, several FBIS items relating to the Senator's recent travels in Israel and Iran.
